

January, 2018

Dear Family,

We are thrilled that Fr. Mike asked us to be the Children and Youth Chairpersons for our Parish Campaign, "Building From Our Belief". We are excited to share our enthusiasm with the youth and young families of our parish to launch a \$2,000,000 addition and renovation project, "Building From Our Belief!"

We honor the Catholic families of Beaver Dam who built beautiful churches many years ago. Now, we are all a part of **this generation** called to build an addition that will serve many generations for years to come! WOW! We are all blessed to do our part.

Soon your child/children will be bringing home information about the campaign, especially an invitation to come to the **Kick Off Weekend Celebration on Sunday, February 4, 1:00 P.M. in the school gymnasium.** Here is what we are asking you to do for the campaign:

- First, **pray** with your child/children for a successful campaign.
- Second, **volunteer** to help with the campaign by bringing your child/children to participate at the Kick Off Event on Sunday, February 4, 1:00 P.M.
- Third, **make a gift** of money to the campaign according to your ability.

"Building From Our Belief"
Campaign Kick Off
Sunday, February 4
1:00 P.M.

Children in grades 1-5 will perform the
song "We Are The Hope"

School Band will perform also!

Watch for more information to come home in the next few weeks with your child/children.

We are looking forward to seeing everyone at the "Building From Our Belief" Campaign Kick Off Event on Sunday, February 4, 1:00 P.M. in the school gymnasium. Join us in the excitement!

Greg and Kathy Armstrong

(Please clip and return to your teacher by January 31)
