

Christmas is Coming

...it's just weeks away!

We'll help with the shopping for the

SKDS Teachers / Staff and those

"Hard-To-Buy-For" people on your list with

"Scripmas Certificates"

Indicate on the order forms how much and to whom you would like to give. Send the order form and money to school in an envelope marked "*SCRIPMAS*"

Please write a separate check for your Scripmas order.

Do not include it in with your regular Scrip order.

Teachers and staff will receive their certificate the last day before Christmas vacation.

All teacher certificates must be included on the "Teacher/Staff" order form.

No individual teacher certificates will be printed.

Other Scripmas Certificates will be available for you one week after you order it.

The teacher, staff member, or other gift receiver then uses this certificate to purchase whatever Scrip Certificates they'd like!

We'll even send them a Scrip order form with instructions!

The program is so simple.

You send in whatever you'd like, for whomever you'd like.

You have a fewer gifts to think about.

The teacher/staff/other can choose the Scrip gift cards he/she chooses.

Our school benefits with a percentage of the dollar amount purchased.
