Dear Parents,

The Dodge County Law Enforcement Shop with Cops is once again hosting the 4th annual Cops-N-Bobbers Program. All children between 10 and 14 years of age who reside in Dodge County are welcome to participate. This program allows your child(ren) to interact with local law enforcement personnel while fishing together on Fox Lake. **New this year....we will be using boats!**

This organization was designed to bring together law enforcement personnel and youth throughout Dodge County to promote the welfare of children in home, school and community, raise the standards of life of the children in Dodge County, and develop a positive relationship between children and law enforcement personnel.

This event is offered to you at no cost with the only parental obligation being to promptly drop off and pick up your child(ren) at the designated times. The program will be held on **Saturday, June 10, 2017**, at Clausen Park in Fox Lake (intersection of Hamilton Street and N. College Avenue) from 9:00 a.m. to 1:00 p.m. This event will be held rain or shine. You may want to send sunscreen, bug spray and a rain poncho with your child(ren).

9:00 a.m.	Promptly drop off your child(ren) at Clausen Park
9:00 a.m. to 10:00 a.m.	Boat safety and fishing instructions
10:00 a.m. to 12:00 p.m.	Fishing (all fishing equipment and life preserver will be provided)
12:00 p.m. to 1:00 p.m.	Cookout (meal and drink provided)
1:00 p.m.	Promptly pick up child(ren) from Clausen Park

If you are interested in having your child(ren) participate in this fun, worthwhile event, please complete the attached permission slip and return it to the address listed on the bottom of the form for consideration.

The deadline for returning this form is Friday, April 28, 2017, as the 'big fishing day' is fast approaching. If your child(ren) has been selected by the committee to partake in this event, you will be contacted by telephone for verification. We look forward to hearing from you all.

Sincerely,

Dodge County Law Enforcement Shop with Cops Committee
