

## WELCOME TO EXTEND-A-DAY

Saint Katharine Drexel School offers a wonderful Extend-A-Day program for children in our 3K class at the cost of \$12.00 per day. Your child may attend on Monday and/or Wednesday afternoon opposite the preschool class. Mrs. Richard is our Extend-A-Day coordinator.

Your child may arrive at school at 7:45 a.m. and go directly to the classroom. When your child has completed the morning preschool class, he/she may attend Extend-A-Day until 3:15 p.m. School lunch (\$2.35) will be served or your child may bring a cold lunch from home and purchase milk for 40 cents at lunchtime.

The Extend-A-Day schedule will be sent home every Monday. Please fill out the days you would like your child to attend for the following week and return to school by Wednesday with the payment. Some children may want to join now, while some may wait and join later. The choice is open to meet the needs of your family.

If you have any Extend-A-Day questions, we will be happy to help you.

Sincerely,

Mrs. Kathy Armstrong
