SAINT KATHARINE DREXEL PARISH
Beaver Dam, WI

May 26, 2017

Dear School Families,

The End of School is near and summer is calling!! Everyone is anxious for warm weather, vacations, baseball and many other fun activities.

However, *before* you put away the school books and get out the shorts and swim suits, we, St. Katharine Drexel Finance Council, are asking you for a most important favor.

A while ago, we authorized quite a bit of money for an upgrade to St. Katharine Drexel School's Fire Alarm system. The Parish and School Administration recognized the essential need of making the school as safe as possible for our students and staff.

We don't have a lot of "extra money" in the Parish coffers, so we asked for Parishioners to support the cost of this outlay. The total amount of the project was \$98,000. Though there has been generous support of the Parish as a whole, we are still short \$14,000.00.

This is where you, the School Families come in!

Have **you** contributed to the cost of this Fire Alarm system? It directly impacts the safety of your children. We are asking for your donation towards the balance remaining on the project. Before you go off on vacation, or send your child to summer camp or take a trip to a Water Park or Amusement Park, could you set aside a little extra for your child's school?

Please send in your contribution to the Parish Center, or put it in the collection basket. Mark the Envelope clearly with your name and address, or use the enclosed marked envelope – **School Fire Alarm Fund!**

Thank you for your anticipated support. We wish you a safe, fun and memorable summer.

Sincerely,

St. Katharine Drexel Parish Finance Council
Marge Jorgensen & Chris Brooks - Trustees
