

school-pak<sup>inc.</sup>

School supplies. Delivered.

**ONE-STOP SCHOOL SUPPLY SHOPPING BEGINS HERE !!!**

I started **SCHOOL-PAK** in 1991 as a hassle-free way to provide students with the right supplies to succeed at school.

Your child receives quality products based on teacher approved lists, pre-packaged in a sturdy box.

As a mom, I know how limited and valuable your time is. Avoid the crowds and enjoy summertime with your family.
